dedicated to C-level executives, their direct reports and board members

LUXEMBOURG, MAY 29 – JUNE 02, 2017

REF: JT/TB/2017.22

Dear Partner,

The House of Training has the pleasure to inform you about the launch of the third edition of the seminar specially designed for **C-level executives, their direct reports and board members** of commercial banks and financial institutions of House of Training partner countries.

Following the success of the two first editions we have changed the agenda of this unique programme to address even more strategic issues including cybersecurity through an ideal combination of lectures, open and panel discussions, visits to financial institutions and meetings with C-level executives.

The programme was created in close cooperation with several recognised professional associations and is supported by the Luxembourg Government.

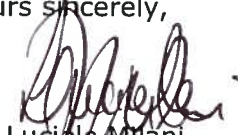

We highly rely on your support to promote this seminar and count on you to forward these documents to all CEOs of the banks and financial institutions in your country.

Interested executives are requested to send back their application form to your institution by 13 April, so that you may forward all the applications to the House of Training (attn Mrs Luciele Milani, Project Officer, luciele.milani@houseoftraining.lu, tel. +352 46 50 16 608) **by 17 April at the latest**.

Do not hesitate to contact us for any further information.
